

40. Fixing Incorrect Family Links in RootsMagic

Recorded 31 May 2012, 45 minutes, 36.9 MB

Even the most careful family historian can make a mistake while recording family relationships- a person married to the wrong or unknown spouse, a child linked twice to the same set of parents, or a man listed as his own grandpa.

Join us as we show you how to use RootsMagic to painlessly fix these mistakes and straighten out those tangles in your family tree.
